

Preparing Monthly Reports

- **Pull MRI Reports**

- Once email is received is from accounting that property is closed
- Go to MRI and pull Batched reports per Client specific list
 - Reports highlighted in yellow in the Accounting email are pulled by Retransform
 - Go to Dropbox link to download the reports and save in the Monthly Reports folder
- Saved Batched reports in Monthly Reports folder in the shared drive
 - *Property Name/Monthly Reports/Year/Month.Year*

- **Complete Executive Summary**

- Go to the prior month's folder and save a copy of the Excel version of the Executive Summary into the current month's Monthly Report folder
- Update the Month/Year at the top of worksheet and Save
- Using the Comparative Income Statement, update the Monthly Budget and Year-to-Date numbers at the top of the first page (**See Graphic 1.1**)
 - Do not change any cells that have formulas
 - Double check that the Net Income numbers on the spreadsheet match the Net Income line on the Comparative Income report before moving forward (**See Graphic 1.2**)
- Update MTD and YTD Income Variance comments based on the Comparative Income Statement and the Variance report provided by Accounting. Comment on significant variances (typically greater than \$2,500 or 5%)
 - Variances and offsets should be entered as bullet points (**See Graphic 1.3**)
 - Accounting Variance Report can be found here: *Athena Sharepoint – Documents\Variance\Year\Variance (Accountant Initials)\Date\Property* (**See Graphic 1.4**)
- Update MTD and YTD Expense Variance comments based on the Comparative Income Statement. Comment on significant variances (typically greater than \$2,500 or 5%).
 - Variances and offsets should be entered as bullet points as above
- Update or add any new Tenant updates as necessary—construction, move-outs, struggling tenants, etc.
- Update or add any Gross Sales comments as necessary.
- Update or add any Operational comments as necessary—vendors, transients, property trends, upcoming projects, upcoming events, etc.
- Update or add any Leasing activity (any tenant within 12 months of lease expiration date).

- Update or add any Legal activity—tenant, property, or otherwise.
- Update or add any additional notes for Highlights and Trends and/or Capital Projects/Tenant Improvements as necessary.
- Run spell check.
- Save

- **Update Tenant Delinquency**

- Using the Aged Delinquency, update the second tab of the Executive Summary with any tenants that have a balance in excess of \$2,500
- Include comments of what the balance represents and the most recent attempt to collect the balance
- Notate if the balance has been collected or paid down since the close of books
- Run spell check
- Save

- **Update COI Tracking (JH Reports Only)**

- Using Docutrax report, update the third tab of the Executive Summary with compliance information for all Tenant COI's on the property
- Include comments regarding status of renewals and the most recent attempt to collect updated COI
- Run spell check
- Save

- **Manager's Review**

- Notify Property Manager that report is ready for review
- After review and corrections are made (if necessary), report can be packaged
 - See Packaging Monthly Report Workflow
