Tenant Issues
Parking: Parking rates were updated mid year and we have seen consistent growth in Parking Revenue since the change. Parking revenue is up almost 100% from \$18k in 2024 to \$35k in 2025. Parking complaints have greatly reduced. Now the Village Businesses are concerned parking rates are too high in the Village. A portion of the 2024 parking revenue was applied to tenant accounts to help offset NNN charges. Coconut Grove Marketplace is very competitive. The parking ordinance (Bill 133) did not pass and City Council will not be limiting parking rates. Parklnq has added parking rates to all entrance signs. Humpy's and Laverne's: Third Amendment has been fully executed. Beginning July 1, 2025, and expiring on August 31, 2026, the Monthly Gross Rent that shall be due and payable shall equal the greater of (i) ten percent (10%) of gross sales plus sales tax on that amount and (ii) twenty-five thousand and 0/100 dollars (\$25,000.00) each month (the "New Conditional Rent"). On September 1, 2026, Tenant shall resume paying Monthly Minimum Rent, Percentage Rent, and all Additional Rent due under the Lease. Landlord applied \$11k security deposit to Humpy's outstanding balance. The remaining balance of \$110,521.46 will be deferred through 8/31/26. Humpy's is looking to assign lease/sell the business; CEO of TS Restaurants liked the space and location. SVN waiting to hear back. Fosters - Kitchen fire occurred 7/1/25. Kona Pele and Tasty Kona were affected but were able to reopen within a day or two. Management worked with several vendors in both tenant spaces to mitigate damage. Kona Haven was able to reopen on 7/3/25. Fosters is undergoing insurance investigation and may be closed for several months. The cause of the fire seems to be from a fryer spark. Rents will be paid via the Insurance companies in the meantime. Final insurance inspection completed and rebuilding process will begin. Fosters has complained about parking and sent a breach of contract notice to Landlord. Response was sent to tenant's attorney on 9/12. The insurance company has released rent and NNN through the end of 2025. Demo has been completed and restoration planning has begun. Fosters is still complaining about parking and may use in renegotiation of opening back up. Landlord is negotiating restructure with tenant. Roof work has been completed. Estimated reopening date is November 2026.
Foster's Fire
Foster's Kitchen fire incident was reported on 7/1/25, and Foster's has been closed since that date. Tasty Kona and Café Kona were closed until 7/5/25 due to water damage and electrical concerns. The fire and water damage remediation work has been completed, and the restoration proposals are being reviewed by the adjuster. Insurance payment of \$250K was received to cover rent from the date of the incident to December 2025 as well as some of the cleaning and demo work. Management received an additional \$190k to cover restoration costs and 2026 rent and impounds. Contract was signed and payments have been mailed to Premier Hawaii Restoration, BH Properties and Bargreen. Roof work has been completed. We have received a new bid and are awaiting one more, and we will revise the estimates after receipt and review of the new bids. Estimated reopening date is November 2026.
Operation Issues
Parking Lot - SVN received bids slurry/seal and stipe of the parking lot, but the original set came in high. SVN obtaining additional bids for Landlord review. Elevator Lava Java - Elevator mod has been completed all deficiencies have been addressed. Pending final state re-inspection before the permit is issued and final payment released. Monument Sign Kuakini - Sign was damaged during the recent storms. Management reviewed design specs of new sign and approved. One proposal was received (\$12.6k), SVN obtaining second bid before work is approved. Management continues to follow up. Concrete Curbing replacement was completed in June 2026. Paid Parking w. Parklnq - In July 2026, Coconut Grove Marketplace generated \$44,202.54 in net revenue, reflecting a 5% increase from June's \$42,007.06. Year-over-year, revenue increased 60% compared to \$27,700.51 in July 2025, continuing the property's strong growth trend. A total of 4,423 paid vehicles parked in July, a 2% increase from June. Each parking stall produced an average of \$659.74 in revenue, while the average length of stay remained at 3 hours. Friday was the busiest day of the week, while peak activity occurred between 10:00 AM and 1:00 PM. Reservation Distribution: A total of 8,287 vehicle reservations were recorded in July, approximately 2% more than June. Compliance & Tenant Parking: Compliance remained strong at 96%. Employee and permit parking registrations increased to 601 license plates, compared to 598 in June. Overall, July reflected another strong month for Coconut Grove Marketplace, with steady month-over-month revenue, and revenue more than doubling year-over-year, higher paid parking activity, and healthy participation across the property's standard, validated, and kama'aina parking programs. The property continues to demonstrate strong demand while maintaining balanced utilization across standard, validated, and free parking users. Parking rates were updated as of April 2026: 3 hours free parking for locals with validation and \$3/hr after first 3 hours; \$12 max/day. Tourist rates are \$6/hr with validation; \$18 max/day. Parking rates are also prorated, so if a customer buys 30 minutes of parking at \$6/hr, they will receive a refund and only pay \$3/hr with validation plus they receive an hour of free parking. Parklnq has also added parking rates at entrance signs and is working with the county's improvement district for sign permits. Bill 133 for the Parking Ordinance did not pass. Tourism: Tourism is up 6.8% in Kona. Hotel occupancy is 72.6% which is 1.6% down from 2025 in West Hawaii and 2.7% down in the Kohala Coast. University of Hawaii Economic Office is projecting Hawaii will be in a recession in 2026. Air traffic numbers are still unavailable.
